Everything we do is designed to bring glory and honor to the Lord Jesus Christ. It is because of God's great love for us that He sent His beloved Son Jesus Christ to die in our place and to set us free from the terrible consequences of our wrong choices. Since people matter so much to God, and He continues to offer forgiveness and eternal life to those who ask for it and confess Jesus as Lord, then we want you to know that you matter that much to us. Experience the joy of God's forgiveness and enjoy having a personal worship experience with God this very day. We would be excited if you choose to worship at Christian Fellowship of Calvert this Sunday.

We are a purpose driven, bible-believing church whose purpose is to invite people into membership into Christ's family and instill in each a passion for their mission, and provide inspiring opportunities to magnify God's name.

People matter so much to God that he continues to offer forgiveness and eternal life to those who ask for it and confess Jesus as Lord.
